

After moving to Ellensburg in the summer of 2021 with her Husband, and shortly after that welcoming their first baby girl, Teresa has quickly grown to love this friendly community. With a background in vendor relations, business development, and project management. she is eager to use her experience to build relationships and help businesses within Ellensburg prosper. Teresa will be focusing on community programming, fundraising, and supporting the initiatives of the EDA's four committees: Design, Outreach, Promotions and Economic Development.
